

Manor

The Manor is a traditional Chesterfield design with full facing on the arms.

This design is available with a loose cover only with chair and stool to match.

The seat cushions are fibre filled as standard and back cushions are feather filled for maximum comfort. Each sofa also includes two 18" x 18" scatter cushions.

The arm facings and cushions are decorated with self-piped trim and the base is trimmed with a straight valance.

All pieces in the Manor range are constructed from a solid beech/birch frame and seat platforms on all sofas and chairs are supported by zig-zag springs.
